Weekly Roundabout

Quote of the Week: “Age is an issue of mind over matter. If you don't mind, it doesn't matter.”

PROGRAM FOR THE WEEK:

**John Stiteler
Total Health Guidance**

THE FOUR-WAY TEST
of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

John Stiteler has been involved in some aspect of total health his entire adult life. Upon graduating from college, he spent 10 years in ministry helping people with spiritual health. John went back to school and earned 2 Master’s Degrees in order to help people with their financial, emotional, and relational health.

He is a Licensed Clinical Counselor, a Certified Nutritional Counselor, a Certified Consumer Credit Counselor, and an ordained minister. He is the director of an integrated health care center called Total Health Guidance.

John’s vision for himself, his family, and his business is to trust God to be a stable, faith-filled individual who will guide others to complete health. He defines complete health as being: Physically healthy, emotionally solid, relationally connected, financially secure, and spiritually strong.

Living in Orlando, FL, he is a father of 3 children and enjoys coaching basketball and soccer.

A Message from our President

Fellow Rotarians: Well two events down and two more to go for October.

Thanks to all Rotarians who came out to Edgewood Children's Ranch for **Rotary Day**. We had a good crowd and our Assistant District Governor Ron Janssen and his wife Sue came. We did not get any Interact kids attend due to conflict with SAT's. The kids at the Ranch were helpful, cheerful, courteous and love the Ranch. This is such a great asset for our community and the faculty are to be commended for their dedication and love of the kids. At the end Doug Trovillion said he would donate all the hotdogs and so I donated all the chips and cookies. Carl Sandberg provided all the water. Thanks again to everyone.

In talking to Ron Janssen, he would like to see District Rotary Clubs working together on these types of projects. I could not agree more and hopefully we can figure out how to make this happen.

October 24 is End Polio Day. We will have a tent and be projecting the End Polio icon on Town Hall for Food Truck night. Please sign up to again hand out fliers.

October 25 is *OctoberFest* at Nehrling Gardens. Again we will be serving light refreshment so please sign up so we can have a count. Unlike at Edgewood light refreshment will include beer. No OctoberFest can be without beer so hopefully more Rotarians can participate.

November 17 we have our *Golf Tournament*. This is how we pay for our giving to the Kids at Edgewood and the Children's programs at Nehrling Gardens. So get your three friends together then tell each of them to get another foursome. Jim Drayton is doing a great job by the way but we all need to make this a success.

I am repeating these dates because they are so important to our Club in terms of our Community Service and our Club Fellowship. This month we will not have a Thursday night Club Social due to everything else going on. But all these events count as makeup meetings.

In Rotary Service - Stephen
